Dear Recipient:

Thank you for contacting the National Personnel Records Center. We have been unsuccessful in identifying a military service record for the above-named individual. This does not mean the subject did not have military service, only that we are unable to identify a record based on the limited information you have provided. To locate a record, we must have the veteran's complete name, service number (if applicable), social security number, branch of service, and approximate dates of service.

If you have questions or comments regarding this response, you may contact us at 314-801-0800 or by mail at the address shown in the letterhead above. If you contact us, please reference the Request Number listed above. If you are a veteran, or a deceased veteran's next of kin, please consider submitting your future requests online by visiting us at <http://vetrecs.archives.gov>.

Sincerely,
